The **inspired**
product & tech
leader

Audience of this program:

Innovators and Product Managers who work in the world of Tech in and adjacent to the product.

Do any of these sound like **you**?
If so, the good news is this program is for you!

Are you ready? Are you ready?

1. Are you ready to land your dream position where you are **valued, respected, and on the growth path**?
2. Are you ready to drive your **career trajectory** versus being dependent on your organization.
3. Are you ready to land a role **aligned** with your values and leadership philosophy?
4. Are you ready to have a roadmap that will enable you to **grow**?
5. Are you ready to be **seen as a thought leader** and have a line of recruiters who want to hire you?
6. Are you ready to finally be **present for your family** versus working nonstop.
7. Are you ready to **work on strategy** versus tactical execution work?
8. Do you want to have a career journey that **wakes you up every morning with excitement**?

Benefits of this program:

How to land the RIGHT job, at the RIGHT salary, with the RIGHT title where you are valued, respected and growing.

How to save time and minimize the thrashing that comes with being in tech, while giving you the 'headspace' to focus on moving your CAREER forward.

How to treat your career as a product including building your brand, value proposition, and landing the RIGHT JOB.

How to own your day including creating boundaries and having the right work-life balance.

How to massively increase your salary.

IT'S TIME TO LAND AN AMAZING ROLE
